Chapter 1: Introduction to Shreyarth University

The Backdrop

The most renowned newspaper [and the biggest media house] of Gujarat, namely GUJARAT SAMACHAR, is a household name in Gujarat – and all over the world, wherever Gujaratis live. One major reason for this is that the promoters are in constant touch with the explicit and implicit thought processes and aspirations of the society, especially in Gujarat. This has helped them channel their social service efforts in the best possible manner, where the efforts would touch the neediest. The Shah family has been very active for over 75 years in this endeavor. Understanding the primacy of education in improvement of social conditions, the family has been running a number of charities in the education sector, apart from providing funds and other support to all who need it, wherever and whenever. A lot of their effort is channeled through SHREYARTH FOUNDATION, a Section 25 company, incorporated in 2017, with registered office in Ahmedabad.

Establishment of the University

Looking to the approach of the government to expand the reach and depth of higher education, by giving a great opportunity to private universities, Shreyarth Foundation decided to establish a university to bring its vision to a reality. In 2019, they sought permission from the state government to start SHREYARTH UNIVERSITY, at their large plot of land at village Jorajina Muvada, Ta. Prantij, Dist. Sabarkantha.

The government secured the necessary legislation, in the form of the Gujarat Private Universities (Amendment) Act, 2019 (Gujarat Act No. 19 of 2019), and a notification duly published by Education Department, Schivalaya, Gandhinagar on 20th September, 2019 (Notification Number GH/SH/81/EPU/2019/949/KH), wherein it is mentioned that “in exercise of the powers conferred by the Sub Section (2) of Section 1 of the Gujarat Private Universities (Amendment) Act, 2019 (Gujarat Act No. 19 of 2019), (hereinafter referred to as “the said act”), the Government of Gujarat hereby appoints the dated 25th September, 2019 as the date on which the said Act shall come into force.”

Starting of the University

The initial time was spent in planning for designing the proper institutional framework for the University so that it could offer the best possible world-class education to the aspiring youth, but unfortunately the COVID-19 pandemic struck the world, and the country went into a lockdown, which proved a great setback for the university’s endeavor to get off to a good start.

Finally, after a year, the effects of the pandemic on the society started waning, and parents also started to lose the fear of sending their children to large gatherings – very essential for schools and colleges! However, there was a little reluctance to sending their wards to a distant

place like This prompted the university to approach the government for permission to operate the University at a premises in the center of Ahmedabad city, namely Ashram Road, at a fully functional property owned by the family, and government was gracious enough to allow this arrangement for three years.

Programmes

The members of the Shreyarth Foundation have gathered a great team of academicians, administrators and advisors, and detailed deliberations on the needs of the society and its immediate, medium-term and long-term requirements, the University decided to introduce four major programme streams for immediate offering with the effect from academic year 2021-22:

- Bachelor of Business Administration [3 years]
- Bachelor of Computer Applications [3 years]
- Bachelor of Science (Nursing) [4 years]
- General Nursing and Midwifery [3 years].

In the year 2022-23, following two programmes are started under its School of Management and School of Computer Science and Applications respectively,

- Integrated Master of Business Administration (IMBA – 5 Years Integrated BBA-MBA Course)
- Integrated Master of Science in Computer Applications and Information Technology (IMsc-CA&IT – 5 Years Integrated B. Sc. – M. Sc. in Computer Applications and Information Technology course)

The University managed to create infrastructure for all the courses in a short time, including laboratories, library, etc.

Features commonly associated with integrated programems:

- Continuous Progression
- Accelerated Timeline
- Curriculum Integration
- Specialized Tracks
- Professional Development
- Networking Opportunities
- Dual Degree
- Admission Requirements
- Faculty Expertise
- Career Advancement

Integrated BBA-MBA, Integrated M.Sc. CA&IT (Master of Science in Computer Applications and Information Technology) programs are specialized academic programs that combine undergraduate and graduate studies in business administration. These programs

typically offer a streamlined pathway for students to earn both a Bachelor of Business Administration (BBA) degree and a Master of Business Administration (MBA) degree in a shorter timeframe compared to pursuing the degrees separately.

Logo of the Shreyarth University

The Logo of Shreyarth University represents light permeated through Sun rays. The Logo symbolises expansion of life's vision. Tender branches of trees depicted here mean growing aspirations. The book symbolizes knowledge. And, finally, sacred conch shell stands for knowledge-enabled truth for success.

The motto of the university is in Sanskrit, श्रेयस्करं ज्ञानम्, and means "knowledge benefitting all" has germinated from inquisitiveness and the ultimate objective of obtaining such knowledge is to attain eternal truth which is pervading in this universe.

University Prayer

Shreyarth University starts every day with the Saraswati Vandana, which is sung by all in the campus.

Gandhiji said: "Prayers is the key of the morning and bolt of the evening". Every day in the campus of Shreyarth University, all classes start with Saraswati Vandana and the whole atmosphere becomes very pious. The lyrics of the prayer is given below:

या कुन्देन्दुतुषाहारधवला या शुभ्रवस्त्रावृता
या वीणावरदण्डमण्डितकरा या श्वेतपद्मासना ।
या ब्रह्माच्युत शंकरप्रभृतिभिर्देवः सदा पूजिता
सा मां पातु सरस्वती भगवती निशेषजाद्यपहा ॥

Meaning of the Saraswati Prayer –

Salutations to Devi Saraswati, who is pure white like Jasmine, with the coolness of Moon, brightness of Snow and shine like the garland of Pearls; and who is covered with pure white garments, whose hands are adorned with Veena (a stringed musical instrument) and the boon-giving staff; and who is seated on pure white Lotus, who is always adored by Lord Brahma, Lord Acyuta (Lord Vishnu), Lord Shankara and other Devas, O Goddess Saraswati, please protect me and remove my ignorance completely.

The power of prayer is to bring spiritual strength, guidance, and inner peace both at the beginning and end of each day. It emphasizes the practice of starting and concluding one's day with moments of reflection, gratitude, and communication with a higher power, fostering a sense of connection and mindfulness throughout the day.
